Science

The Science for this term is everyday materials. We will be exploring materials using our senses to describe what objects feel like and to know some of their properties eg whether they are hard, soft, bendy, squashy and spiky. We will explore what objects are made from.

RE and PSICHE

The RE for this term is Living with Family and Friends. We will explore the different traditions families have and their role in the community.

Our PSICHE is Going for Goals. We will think about how we can set ourselves goals and how we can achieve them.

We will also consider similarities and differences between ourselves and others.

ICT

In ICT we will be

learning how to write a simple program by using Espresso Coding. We will use a visualizer to look closely at different materials.

Art / DT

In Art we will be exploring different mixed media to make a picture and

using fabric to make a finger or sock puppet.
