Roman Road Primary School

In Pursuit of Excellence

**Year 2
Curriculum
Spring 3**

English

This term we will be reading stories from other cultures and describing the characters and their motives as well as the different settings. One class will practice for its class assembly about The Chinese New Year.

Later on we will be reading and writing Explanation Texts.

Mathematics

Useful website: www.mymaths.co.uk
Login: romanroad
Password: smart
We will:

Add and subtract numbers using including a two-digit number and ones.

Identify and describe the properties of 3-D shapes, including the number of edges, vertices and faces.

Solve problems involving multiplication and division, using materials, arrays and repeated addition.

Recognise, find, name and write fractions $\frac{1}{3}$ and $\frac{2}{6}$ of a length, shape, and set of objects.

Science

The Science for this term is Animals and Life Cycles. They will learn about the different types of animals and their life cycles.

RE and PSCHÉ

The RE for this term is about why different religions fast. We will consider why Muslims fast during Ramadan and why Christians fast during Lent.

Going for Goals is the theme for this term and the children will make their own goals and consider how to achieve them.

We will also be learning about similarities and differences between animals and humans, as well as fairness, respect and kindness.

ICT

In ICT we will be learning how to make an animation using ICT and also how to make a slide show.

Art / DT

In DT we will be making different models of buildings and testing their structures.
