

Geography

In Geography we will be looking at how Volcanoes work and where they are in the world.

Music

We will be

following Unit 4 of the

Music Express Course and

practicing singing in tune.

PE

Indoor PE will be focusing on Gymnastics and movement.

Outdoor PE will be focusing on tennis and racquet skills.

French

We will be learning French in line with the National Curriculum.

If you would like further information about the curriculum or are interested in attending any courses to improve your own skills in order to help your child please see **MRS WOOD** More detailed information can be found at
<https://www.gov.uk/government/publications/national-curriculum-in-england-primary-curriculum>

In Pursuit of Excellence

**Year 3
Curriculum
Spring 4**

English

This term Year 3 will be debating a local issue and writing a discussion. After we will be reading *The Cat in the Hat* and writing our own poems.

Book Week is in March

Mathematics

This term we will focus on adding and subtracting numbers with up to three digits, using formal written methods of column addition and subtraction. We will also be reading and drawing graphs. We will also measure, length, mass, volume and capacity.

Science

This term we will be learning about different materials and their properties.

RE and PSCH

The RE for this term is the Hindu Festival of Holi, a spring festival full of colour. One class will be performing their class assembly about this festival later in the term.

The PSCH for this term is Good to be Me. We will think of all the positive things that make us who we are. We will learn how to express our emotions and manage our feelings when things don't go as planned.

We will consider how rules and laws affect us and living within and outside law.

ICT

In ICT we will be learning the conventions used in comic strips and how to make a comic strip.

DT

In DT we will be learning about different mechanisms.
