

Geography

We will be learning about the different regions of the UK and consider what it would be like to go on holiday in the UK.

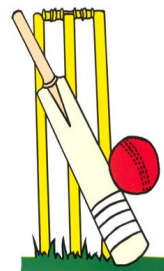

Music

We will be following Unit 6 of the Music Express Course and listening and making different sounds.

PE

Indoor PE will be focusing on gymnastics.

Outdoor PE will be focusing on Rounders and Cricket.

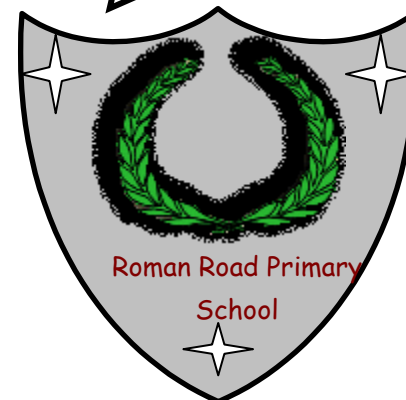

French

We will be learning French in line with the National Curriculum.

If you would like further information about the curriculum or are interested in attending any courses to improve your own skills in order to help your child please see **MRS WOOD** More detailed information can be found at <https://www.gov.uk/government/publications/national-curriculum-in-england-primary-curriculum>

Roman Road Primary School

In Pursuit of Excellence

**Year 3
Curriculum
Summer 6**

English

This term we will be reading stories from other cultures with a focus on Grandpa Chatterji. We will also be writing informal letters to help others solve their problems.

Mathematics

This term we will be learning to tell the time and convert between different units of time to solve problems. In Statistics we will collect and interpret data including reading bar charts. We will practise addition and subtraction using the column method with 3 digit numbers and solve problems using money including giving change.

$$\begin{array}{r} 6728 \\ - 51 \\ \hline 677 \end{array}$$

Science

The Science for this term is Light. The children will be learning about different light sources and how to protect your eyes from bright light and the sun. They will learn about reflection and how shadows are formed. They will investigate how to make shadows bigger and smaller

RE and PSCH

The RE for this term is "How do Hindu's worship?" We will be learning about the Hindu religion and beliefs and learn about how they pray.

Changes is the theme for this term and the children will learn how to manage change as they end the school year and move to their next class.

Children will be exploring the difference between medicine and bad drugs and know the dangers and health problems associated with smoking.

ICT

In ICT we will be starting a new unit "We are pollsters," where we will make questionnaires and collect data.

DT

In Art we will be

exploring patterns to make a textile piece.
