In Pursuit of Excellence

**Year 4
Curriculum
Spring 3**

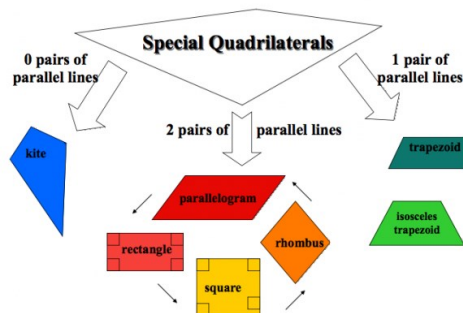

English

This term we will be reading and acting out different playscripts. We will focus on *The Tempest* by William Shakespeare. Later we will be looking at advertisements and persuasive devices.

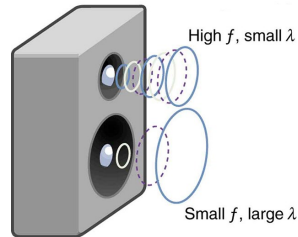

Mathematics

This term we will be recognising the place value of five digit numbers using tens of thousands, thousands, hundreds, tens and ones and addition and subtraction of 4 digit numbers. We will also be identifying and classifying quadrilaterals and triangles based on their properties. We will also multiply three numbers and use factor pairs and commutativity for multiplication.

Science

The Science for this term is Sound. We will be exploring how we hear different sounds and how to make sounds higher or lower.

RE and PSCH

The RE for this term is "What makes me the person I am?" We will be exploring what influences us and where we get our ideas from.

Going for Goals is the theme for this term. The children will learn about setting their own goals and how to achieve them.

We will also compare and contrast children's rights from oppressed Societies and our own society.

ICT

In ICT we will be making different sounds using various software and producing a piece of digital music.

Art / DT

In Art we will be

Developing our drawing

skills by producing a

still life painting

considering colour,

tone and shading.
