

Geography

In Geography we will be learning about the different countries in the UK and the physical and human features of Britain.

Music

We will be continuing with singing and learning how to play the Ukulele by a specialist music teacher.

PE

Indoor PE will be focusing on Dance and movement.

Outdoor PE will be focusing on Tennis and racquet skills.

French

We will be learning French in line with the National Curriculum.

If you would like further information about the curriculum or are interested in attending any courses to improve your own skills in order to help your child please see **MRS WOOD** More detailed information can be found at <https://www.gov.uk/government/publications/national-curriculum-in-england-primary-curriculum>

In Pursuit of Excellence

**Year 4
Curriculum
Spring 4**

English

This term we will be reading and writing letters based on an environmental issue and learning how to write a letter correctly. Our focus book will be Varmints.

Later in the term we will be reading and writing poetry.

Book Week is in March

Mathematics

Useful website: www.mymaths.co.uk

Login : romanroad

Password : smart

This term we will be finding the area and perimeter of different shapes. We will be reading and interpreting time and bar charts. We will multiply decimals by 10 and 100. Describe translations as movements to the right or left and up or down.

Area of Rectangle

The area of a Rectangle equals the base times the height.

$$A = b \times h$$

$A = b \times h$
 $A = 12 \times 7$
 $A = 84 \text{ m}^2$

Science

The Science for this term is Electricity. We will be learning about electrical safety and how to make a series circuit using different components like bulbs, buzzers, switches and

motors. We will learn how to use a switch. We will also learn about electrical conductors and insulators.

RE and PSCH

The RE for this term is " Why do Christians celebrate Easter?"

One class will be performing their class assembly about Easter at the end of the term.

Good to be Me is the PSCH theme this

term. They will explore reasons why pupils should be proud of themselves and focus on self esteem and pupils' achievements.

ICT

In ICT we will be learning how to use Espresso Coding to move an object across the screen.

DT

In DT we will be making an electrical gadget with light and/or sound.
