

Geography

We will be learning about the globe
and developing
our world map
skills.

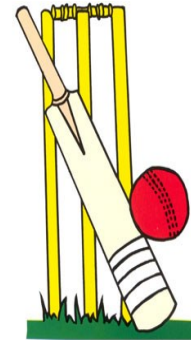

Music

We will be
continuing with singing
and learning how to play
the Ukulele by a specialist
music teacher.

PE

Indoor PE will be
focusing on Dance
Outdoor PE will be
focusing on Rounders
and Cricket.

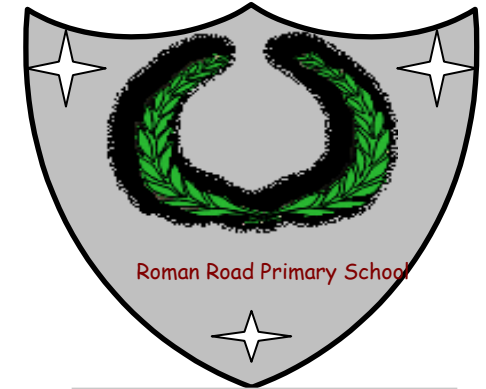

French

We will be learning French in line with the
National Curriculum.

If you would like further information about the curriculum or are interested in attending any courses to improve your own skills in order to help your child please see MRS WOOD

Roman Road Primary School

Roman Road Primary School

In Pursuit of Excellence

**Year 4
Curriculum
Summer 6**

English

This term we will be reading Stories from other Cultures and later writing Explanation Texts.

Mathematics

We will be solving money problems and comparing decimals with the same number of decimal places. We will solve two step word problems. Next we will identify co-ordinates for different shapes and then reflect them and draw the new points.

In statistics we will use a greater range of scales in our graphical representations.

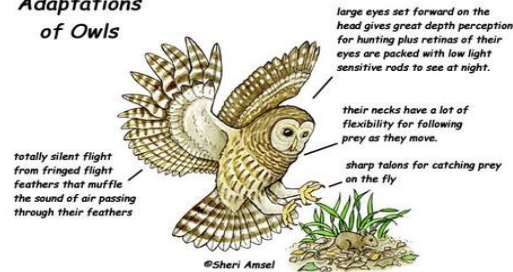

$$\begin{aligned} .6 &= \frac{6}{10} \\ .23 &= \frac{23}{100} \\ .956 &= \frac{956}{1,000} \end{aligned}$$

Password : smart

Science

We will be developing our work on animals by exploring different food chains and how animals have adapted to their habitats.

Adaptations of Owls

RE and PSCH

We will be considering the question "Why do people get married?" and thinking about what it means to make a commitment. We will look at different wedding ceremonies from different faiths.

Changes is the PSCH theme this term. The children will be learning about how to manage change as they come to the end of the school year.

We will be learning about respect for property in relation to buildings in our community including homes and schools.

ICT

In ICT we will be collecting and representing data using a data handling program.

DT

In DT we will be using fabric to design and make a toy.
