

Geography

In Geography we will be learning about different trade routes and Explorers and the effect they had on the people and the environment.

PE

We will be going swimming weekly.

French

We will be learning French in line with the National Curriculum.

If you would like further information about the curriculum or are interested in attending any courses to improve your own skills in order to help your child please see **MRS WOOD** More detailed information can be found at <https://www.gov.uk/government/publications/national-curriculum-in-england-primary-curriculum>

Music

We will be learning how to play the keyboard or guitar by specialist music teachers.

It is important that your child practices at least 3 times a week so that he or she makes as much progress as possible.

**Year 5
Curriculum
Spring 4**

English

In English we will be reading stories from other cultures "The Island," and empathizing with the main character. We will be considering the different issues in the story and thinking about how to resolve them.

Later we will be discussing the story "The Arrival" and making comparisons.

Mathematics

This term we will be drawing and measuring angles. We will convert between different units of metric measures. We will be learning about percentages and how to write percentages as a fraction of the number of parts out of 100.
