

History

In History we will be learning about the way of life and traditions of the Ancient Greeks.

PE

We will be going swimming weekly.

French

We will be learning French in line with the National Curriculum.

Music

We will be learning how to play the keyboard or guitar by specialist music teachers.

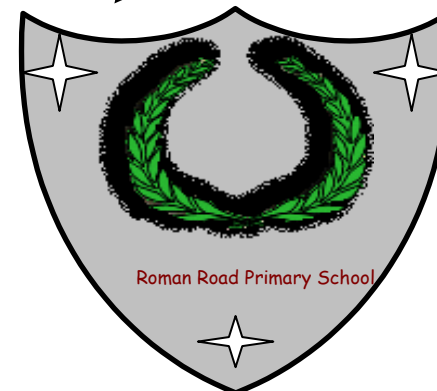

It is important that your child practices at least 3 times a week so that he or she makes as much progress as possible.

If you would like further information about the curriculum or are interested in attending any courses to improve your own skills in order to help your child please see MRS WOOD

Roman Road Primary School

In Pursuit of Excellence

**Year 5
Curriculum
Summer 5**

English

In English we will be reading Myths and Legends and linking this to our History topic on Ancient Greece.

Later in the term we will be reading, reciting and performing poems and writing our own.

Mathematics

This term we will be reading Roman Numerals to 1000 and recognise the years. We will describe linear sequences and find the term to term rule. For measures we will estimate volume and capacity and solve problems converting between units of time. We will learn the meaning of factors and multiples as well as prime, square and cube numbers. We will also be dividing up to 4 digit numbers by a one digit number.

I = 1

V = 5

X = 10

L = 50

C = 100

D = 500

M = 1000

Science

We will learn about the life cycles of

different animals, including humans and comparing them.

We will also look at the life cycle of a human.

RE and PSCHÉ

The RE for this term is "What do religions believe about God?" We will look at how different religions portray God.

Relationships is the PSCHÉ theme this term. The children will be learning about different relationships they have with their friends and family and how to manage them when things may go wrong.

ICT

In ICT we will be following the theme "We are architects," and looking at 3D modeling.

Art

In Art we will be making papier mache and making designs linked to our topic.
