

Geography

In Geography we will be learning about the way land is used for different things eg recreation, vegetation, building etc how it has changed over the years and how we can look after it.

PE

We will be going swimming weekly.

French

We will be learning French in line with the National Curriculum.

Music

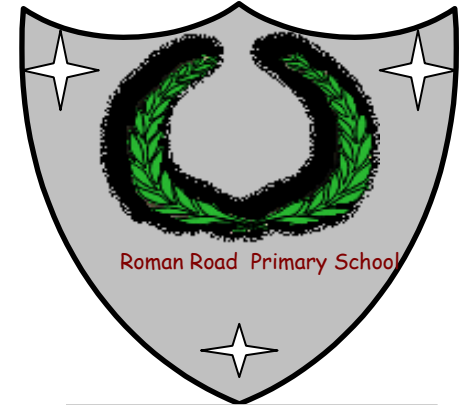

We will be learning how to play the keyboard or guitar by specialist music teachers.

It is important that your child practices at least 3 times a week so that he or she makes as much progress as possible.

If you would like further information about the curriculum or are interested in attending any courses to improve your own skills in order to help your child please see MRS WOOD
More detailed information can be found

Roman Road Primary School

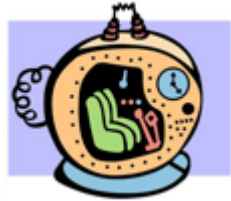

In Pursuit of Excellence

**Year 5
Curriculum
Summer 6**

English

In English we will be reading *The Secret Garden* and discussing the setting, the time period and the different characters.

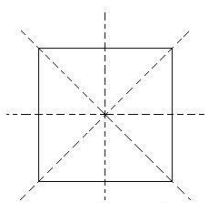

Later we will be reading an abridged version of *The Time Machine* by H.G. Wells and considering what life will be like in the future.

Mathematics

We will:

- Solve puzzles involving decimals,
- Make connections between fractions, decimals and percentages,
- Describe positions in all four quadrants,
- Distinguish between regular and irregular polygons based on their properties,
- Estimate volume and capacity,
- Solve problems converting between units of time.
- Use simple formulae,
- Solve multi step problems in different contexts.

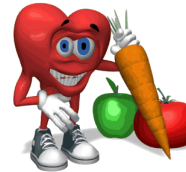

Square four lines of symmetry

Science

Our Science topic is Sports Science. We will be looking at how we can keep healthy by exercising and eating healthily.

RE and PSCH

The RE for this term is "What do Muslims believe about the prophet Mohammed?" One class will also get ready for our class assembly which will be about Eid.

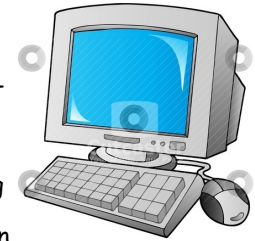

Changes is the PSCH theme this term. The children will be learning about different changes they will encounter as they journey through life and how to manage them when things get tough.

We will also have a drug education workshop with a focus on Alcohol use and mis-use.

ICT

In ICT we will be following the theme "We are advertisers," and looking at the techniques used in advertising and using them in our own.

DT

In DT we will be examining different structures, looking at how they are made, making models and testing their strength.
