Picking Children Up at the End of School

To ensure the safety of the children, it is essential that all children from nursery to year 4 are collected from their lines at the end of the school day.

Teaching staff will only let children go with parents, if parents come to the line to collect them.

Teaching staff will only let children go with parents and carers that are known to them.

If you have arranged for somebody new to pick your child up, it is essential that you let the class teacher know in advance. If the class teacher has not been informed, then no other adult will be permitted to take the child away.

Year 5 and 6 children can go home by themselves, but only if we have had written permission from parents. If written permission has not been given the procedure above still applies.

If you would like to talk to a teacher about an issue at school, please either make an appointment or wait until all of the other children have left. The primary responsibility of teaching staff at the end of the day, is to ensure children in their care are picked up safely

Thank you for your co-operation and please remember these measures are designed to **keep all of our children safe.**

School Closed for Eid ul Adha.

School will be closed on **Tuesday the 15th of October** as many children from our Muslim community will be celebrating Edi ul Adha.

Eid Mubarak to all of you who will be celebrating

School closure because of Industrial Action

School will also be closed on Thursday 17th October as many teachers will be taking industrial action. As a result, it will not be possible to open the school.

We are sorry for any inconvenience this may cause.
