## Safeguarding Children

We have recently been informing and educating pupils about the 4 fundamental British Values. The Government has defined these as:

### **School Democracy at Roman Road**

- At the start of the year every class creates their own class behavior charter.
- Ever year every child completes a questionnaire which gives them the opportunity to share their views about Roman Road and suggest ways in which the school could be improved further.
- We have a school Council which represents all the pupils of the school.

### **The Rule of Law at Roman Road**

- Pupils are taught the value and reasons behind laws; and that they are there to protect us and keep us safe. Pupils learn about the consequences when laws are broken.
- Pupils all know our school's rules, rewards and consequences systems, and they know that the school enforces them fairly and consistently.

### **Individual Liberty at Roman Road**

- Within school, pupils are actively encouraged to make decisions and choices, knowing that they are in a safe and supportive environment.
- Pupils are encouraged to know, understand and exercise their rights and personal freedoms and advised on how to exercise these safely, for example through assemblies and PSHE lessons.

### **Mutual Respect at Roman Road**

- Pupils know that mutual respect is a core value at Roman Road.
- Pupils learn that their behaviors have an effect on their own rights and those of others.
