Guidelines For Picking Children up from School at the End of the School Day & from After School Clubs

Year 5 and 6

Children in Year 5 and 6 who do not travel by bus can go home by themselves. However, the school asks that any parent wishing their child to go home by themselves **give us written permission**. The expectation is that any Year 5 or 6 child who has not been given written permission from their parent(s) will be collected by an adult at the end of school.

Year 3 and 4

On the whole, we would expect children from Years 3 or 4 to be collected by an adult. However, we will look at exceptional cases **and if we have written permission** from a parent then we may allow collection by a person who is over the age of 14.

Foundation Stage, Year 1 and Year 2

We would always expect children in Key Stage One and Foundation Stage to be collected by an adult.

When we refer to an adult, this is defined as someone who is 16 or over (proof required). If someone other than the person that normally collects your child is picking them up please inform the office.
