100% Attendance

Attendance is a very important factor of educational achievement and children who come to school regularly are more likely to progress well both academically and socially and are more able to achieve to the best of their abilities. For the past six years, every child that has 100% attendance – i.e. been in school for every session throughout the whole academic year from September to July - is entered into a prize draw, giving them a chance to win a brand new bike.

The lucky winner of the bike this year was **David Johnson.**

Cycling Proficiency

Children in Year 6 were able to bring in their bikes last week to take part in a Cycle Confident Training Course where they learned cycling skills and how to ride a bicycle safely, especially on the road.
