Free E Safety Workshop

We are running a free E Safety workshop on **Friday 25th May at 9am**. All are welcome to attend and it will be a great opportunity to learn about how to stay safe online.

Picking Children up from School

Please note that all children in Nursery, Reception and Years 1 to 4 are to be collected by an adult who is at least 16 years old.

In exceptional cases and if we have written permission from a parent then we may allow collection by a sibling who is over the age of 14 for children in Years 3 & 4. Children in Years 5 & 6 may go home by themselves once we have received written permission and it has been agreed by the school. Children who travel to and from school on public transport (buses/trains) must be accompanied by an adult who is 16 or over.

Thought of the Week

We are what we repeatedly do.
Excellence, therefore, is not an act but a habit.

-Aristotle

Natural History Museum

Last week Year 3 visited the Natural History Museum. We began our day with a Dinosaur workshop. The children were given the opportunity to excavate fossils using technical equipment. The children also measured the fossils to see which dinosaur they had discovered. They continued their day as archaeologists locating and observing other dinosaurs from the Jurassic period. We all had a wonderful day!

Well Done!

Every week we print the names of children who have achieved in either their work or their good conduct and behaviour around the school.
