## 100% Attendance

Attendance is a very important factor of educational achievement and children who come to school regularly are more likely to progress well both academically and socially and are more able to achieve to the best of their abilities. For the past eight years, every child that has 100% attendance – i.e. been in school for every session throughout the whole academic year from September to July - is entered into a prize draw, giving them a chance to win a brand new bike.

The winner of the bike this year was Bakirathe.

## Black History

At the end of last term each class learnt about a famous person in Black British History. We celebrated the week with 5B's assembly on Black History.

## Thought of the Week

**When you talk, you are only repeating what you already know.  
But if you listen, you may learn something new.**

### Well Done!

Every week we print the names of children who have achieved in either their work or their good conduct and behaviour around the school.
