

# Activity Clubs

We started our Autumn clubs on Monday 19<sup>th</sup> of September 2022 and they will run until Friday 16<sup>th</sup> of December 2022. The subsidised cost is £20 per club (the cost to the school is over double this amount). For this we will run a minimum of 10 sessions. This works out at £2 per session.

If your child qualifies for pupil premium they can register for up to two clubs for free. More than two clubs are charged at £20 each.

We try to make sure all children receive at least one of their preferences before allocating second clubs.

Please see the list of clubs available for this term.

## Club Rules

Children will need to adhere to normal school rules in terms of behaviour and respect for the teachers and other children. Anyone repeatedly not following school rules will lose their place

It is also important that they are collected on time. Those children in Year 5 and 6 who have permission can go home by themselves. All other children need to be collected by an adult.

Please ensure a parent/carer collects your child at 4:15 on the day of their club as it is extremely important that children leave the premises on time. If children are picked up late on more than two occasions, their place may be withdrawn. Clubs will not run on open/parents evenings or the last week before the Christmas holidays.
