### Thought of the Week

**Why fit in  
when you  
were born  
to stand out?**

We are going paperless soon! To protect our environment

### Message from All Staff at Roman Road

Thank you for all your hard work this week, and have a lovely weekend, and we look forward to seeing you all on Monday

### Activity Clubs

You should have by now received a School ping message informing you if you were successful in your application(s) for your child/ren activity club. The deadline for payment will be at the end of the day on Wednesday 18<sup>th</sup> September. Please make prompt payment to guarantee your child's place. Thank you.

### Online Safety Assemblies

Last week the children all participated in Online Safety Assemblies. They learnt how to stay safe online and signed agreements about their computer usage.

### Science challenges

Please see below message from Miss Redmond, Science Lead.

Dear Parents/Carers

At the beginning of each term, I will be sending out Science challenges for the children to complete at home. Some of the activities will be home challenges only, whilst others will require the children to make something as part of their challenge and this can be brought into school where I will hold a competition for the best entry.

Although not compulsory, these practical activities will support learning science at home and at school. It is important to encourage the children to investigate, explore and build upon their Science capital.

The first challenge is centred around National Tree week and I would like the children to create something based on the word 'Leaves'.

The deadline for this project is Monday 16th December 2024.

Good luck!

Please see School ping for more information.

## Well Done

### Reward Certificates

Every week we print a list of names of children who have achieved Reward 3, 4 and 5 certificates.

## Reward 5

Well done to who received a Reward 5 this week for good work.  
Well done!
