### Thought of the Week

"Today is a wonderful day to have a wonderful day"

### Half Term

We have had a relatively successful half term. Thank you to everyone for following the rules, and for putting up with any glitches that we may have had along the way. Enjoy your half term, and we hope to see everyone safe and well on Monday 02 November.

### Parking and Safe Crossing of Road

Just a reminder that children need to be collected from the school gate in person, unless they walk home by themselves (years 5 and 6). Some parents have been waiting in their cars. We cannot send children over to the cars. This is for the safety of the children.

Only permit holders are allowed beyond the barrier. If you do have a parking permit and are parking close to the school, please switch off your engines while you are waiting, do not let them idle. As the barrier has been out of order, we have seen an increase in people using the private road. This is reserved for people with permits.

There are planned works on the barrier over the half term. We hope to have this resolved during this time, depending on the level of work needed. If and when the barrier is up and running (hopefully after half term) we will go back to running a permit scheme where only eligible parents will be able to enter and use the road. Eligibility is based on any mobility needs of children and/or the walking distance from the school.

We also ask parents who have to bring their children into school by car, to park their car in a safe place, and walk their children to the gate.

We ask parents not to park directly in front of the school. Not only does this cause congestion, but also blocks the pathway for children to cross safely in the morning and the afternoon.

### Wearing of Face Masks

The school strongly recommends and expects parents to use masks during drop off and collection from school. We have introduced markers to allow for social distancing. The measures we have put in place are designed to keep you, and your children protected as much as possible. Wearing masks will limit the spread of COVID. Thank you for your support with this.

### The Specialist Education Support Service and EPS have teamed up to launch an informative YouTube channel for children/young people, parents and schools!

You can now watch YouTube videos provided by:

- The Complex Needs and Dyslexia Service including Professional Dyslexia and Dyscalculia Service (PDDS),
- The Language, Communication, Interaction Service (LCIS)
- The Sensory Service
- The Educational Psychology Service

**These videos can be shared with families and carers in your settings to develop their knowledge and/or to support them to use particular strategies or activities at home.**

If there is a particular intervention or video you would like to see, please email the request to
