Thursday 31st December 2020

Dear Parents Carers,

I am sure that by now you will have heard the Governments announcements that Primary Schools in certain areas will be closed from the 4th of January until the 18th of January.

The London Borough of Newham is one of these areas and as a result Roman Road will be closed for pupils from Monday the 4th and re-open on Monday the 18th of January.

While we are closed we will provide on line learning for all children.

On Line Learning

For most year groups this will be using the google classroom platform. Here you will find teaching videos for Mathematics, English and foundation subjects such as Science.

Children can watch these videos and the complete the accompanying work. Teachers will be able to provide feedback over Google classroom and where possible call to speak to the children weekly.

In addition to the teaching videos, work will also be set using interactive programmes, My Maths and Literacy Planet.

Passwords for all should be found in the children's reading journals. Those year groups who have had periods of isolation during the Autumn term will also find them in the packs that were sent home)

Directions can use can be found using this link.

https://romanroad.newham.sch.uk/Google_Classroom.html

Work for the week beginning the 4th of January will be up by 11.00am on Monday the 4th of January

Work for the week beginning the 11th of January will be up at 9.00 on Monday the 11th January.

What if I cannot access on line Learning?

IF you cannot access on line learning we do have hard copies of work that can be completed at home. For safety please only use this option if you cannot access the online learning. If you would like to collect hard copies of work, then please call the school to arrange a time for you to pick up the work.

Please call after 10.30AM on Monday the 4th January.

Key worker Children

We intend to open for key worker children from Tuesday the 5th of January.

For those children who had secured a place during the summer term as key worker children then we will contact by Monday the 4th of January to again offer you a place. If you would like your child to take up a place, then they can start on Tuesday the 5th of January.

For those parents new to the school we will be sending you a form via school ping before Friday the 1st of January. If you feel you would like a place and your child falls into the key worker category, then please complete and return as soon as possible and we will contact you on Monday to discuss your place.

Starting time for Key worker children will be 8.45am and the finish time will be 3.00pm.

Thanks you for taking time to read through the letter. We do hope that you do use the online learning opportunities. We also hope that we can welcome everyone back on the 18th of January.

We will keep you all informed of any changed in the coming days and weeks.

Stay safe.

A Mahmood
