

# READING BOOKS

Soon, your child will be taking a reading book along with a reading record book home each week. This will be provided in a plastic zip wallet. Your child's class teacher will inform you of when your child has their book changing day. Please ensure that your child has both their reading book and reading record on their changing day. During this term, your child will take a book of their own choice. This is not for your child to read independently, it is for you to read to your child to help your child enjoy listening to stories. Whilst reading to your child, ask various questions about what is happening and what they think may happen next. Please write a comment in their reading record book to let us know how your child got on with their book. Reading to your child is extremely important to help develop their vocabulary, language, understanding of stories and writing.
