Roman Road Primary School

Year 2
Curriculum
Summer 2

English

We will be reading and writing Fantasy Stories with Superheroes. Each class will also be rehearsing for its class assembly.

Mathematics

Calculate mathematical statements for multiplication using repeated addition within the times tables and write them using signs. Solve multiplication and division problems in context.

Estimate, measure, compare and order volume/capacity

Estimate and measure length/height using rulers.

Estimate and measure mass using scales.

Compare and sort numbers according to their properties.

Compare and sequence intervals of time.

Find the difference when examining data.

Science

The Science for this term is learning about Animal Habitats and food chains. We will consider how an animal has adapted to its environment. We will consider how an animal can be both a predator and prey and the importance of the sun in a food chain.

RE and PSCH

The RE for this term will focus on the story of Creation. We will be looking at Creation Stories from different religions.

The PSCH for this term is Changes. We will look at both physical and emotional changes and think of ways of how we can manage them. We will also consider how we can stand up for ourselves.

ICT

In ICT we will be studying the unit 2.6 We are zoologists.

Art

We will be making a collage using natural resources.
