Primary School

In Pursuit of Excellence

Year 1 Curriculum Spring 4

English

We will be reading different narratives in order to explore the setting and characters. We will be

Learning about the structure of a story and learning how to a write a sentence using a capital letter and full stop. We will be using adjectives for description.

Book Week is in March

Mathematics

We will:
Begin to use a ruler to measure.
Begin to use scales to measure mass. Solve problems using addition and subtraction of measures.

We will also weigh different objects to see which are light and which are heavy.

Science

The Science for this term is plants and trees and looking at their differences in the seasons. We will be considering what is necessary for growth and

testing our hypothesis.

RE

The RE for this term will focus on Christianity looking at the festival of Easter and customs associated with it.

PSHE

We will be learning how to make healthy lifestyle choices by recognising the importance of washing and being clean.

We will link being healthy with being happy. We will learn about how to be safe with medicine and household items.

We will learn about Road safety Linking health and happiness .

ICT

In ICT we will be following the unit 1.1 We are Treasure Hunters.

DT

In DT we will be learning how to make

a fruit salad.
