Roman Road Primary School

In Pursuit of Excellence

Year 2 Curriculum Autumn 1

English

This term we will be describing familiar and unfamiliar settings like the forest and icy regions. We will later be researching the life of a famous person in order to write a biography.

Mathematics

Read and write numbers to 100 in numerals and words. Recognise the place value for each digit (tens and ones) in a two digit number. Recall and use addition and subtraction facts to 100 and solve word problems.

Recall 2,5 and 10 times table and related division facts

Recognise the value of all the coins and find different combinations that equal the same amounts.

Read and write the time accurately including half past and quarter past/ to the hour.

Science

The Science for this term is My Body. The children will be learning that humans grow and change. They will learn about how to keep healthy including what constitutes a healthy diet and the importance of exercise.

RE and PSCH

The RE for this term is "What Stories did Jesus tell?"

They will read the story of the Good Samaritan and learn about what friendship means. NEW BEGINNINGS is the theme for this term. They will discuss why school and classroom rules are important and how to play, listen and work with each other.

important and how to play, listen and work with each other.

ICT

In ICT we will be studying Unit 2.1 We are Astronauts and using Espresso Coding Unit 2a.
