

## History

In History we will be learning about The Fire of London.

## Music

We will be

following Unit 3 of the

Music Express Course and

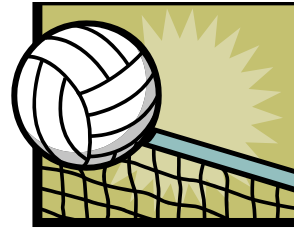

listening and making

different sounds.

## PE

Indoor PE will be focusing on Net and wall skills.

Outdoor PE will be focusing on striking and fielding.

**If you would like further information about the curriculum or are interested in attending any courses to improve your own skills in order to help your child please see MRS WOOD**

**More detailed information can be found at  
<https://www.gov.uk/government/publications/national-curriculum-in-england-primary-curriculum>**

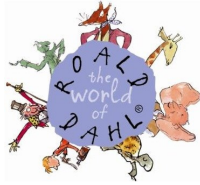

**In Pursuit  
of Excellence**

**Year 2  
Curriculum  
Spring 1**

# English

This term we will be reading books by the author Roald Dahl. We will be describing the characters and their motives as well as the different settings.

Later on we will be reading and writing Explanation Texts.

# Mathematics

Identify, represent and estimate numbers using different representations.

Compare and order numbers from 0 to 100 using  $<$ ,  $>$  and  $=$  signs.

Recall and use multiplication and division facts for the 2, 5 and 10 times tables.

Solve problems involving multiplication and division facts.

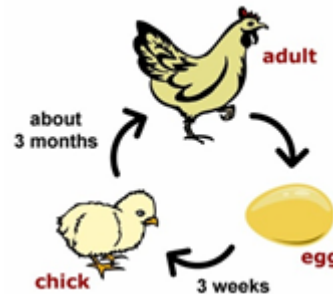

Add and subtract money of the same unit, including giving change and solve simple money problems.

Estimate, measure, compare and order mass (kg/g).

Compare and sort 2d and 3d shapes. . . .

# Science

The Science for this term is Animals and Life Cycles. They will learn about the different types of animals and their life cycles.

# RE and PSCHÉ

The RE for this term is about Special Books. We will consider the different Holy Books and what different religions learn from them.

Going for Goals is the theme for this term and the children will make their own goals and consider how to achieve them.

We will also be learning about how to treat animals and the environment with respect, responsibility and empathy.

# ICT

In ICT we will be studying unit 2.5 We are Detectives.

# Art / DT

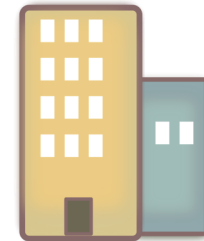

In DT we will be

making different

models of buildings

and testing their

structures.
