If you would like further information about the curriculum or are interested in attending any courses to improve your own skills in order to help your child please see **MRS WOOD** More detailed information can be found at <https://www.gov.uk/government/publications/national-curriculum-in-england-primary-curriculum>

**Year 3
Curriculum
Spring 2**

English

This term Year 3 will be following and writing instructions. After we will be reading the poem The Pied Piper and writing our own poems.

**Book Week
is in March**

Mathematics

Add and subtract numbers with up to 3 digits using a formal written method. Estimate the answer to a calculation and use inverse to check the answers. Solve questions like 'How many more' and 'How many fewer' using bar charts, pictograms and tables. Recognise and show equivalent fractions with small denominators. Compare and order unit fractions and solve problems involving fractions. Estimate and read time to the nearest minute and compare duration of events. Make and recognise 3d shapes.

Science

This term we will be Learning about the different types of plants and flowers.

RE and PSCH

The RE for this term is Signs and Symbols. The children will be learning about the different signs and symbols found in Christianity.

Going for Goals is the theme for this term. The children will learn about setting their own goals and how to achieve them.

We will also be learning about Stranger Danger and e-safety. We will also learn about Water safety and Road safety. We will learn how to manage risk and danger rather than just avoidance of potential hazards.

ICT

In ICT we will be following unit 3.3 We are Presenters.

DT

In DT we will be learning about different mechanisms.

Simple Machines

Lever

Inclined Plane

Wedge

Pulley

Wheel and Axle

Screw
