**Year 4
Curriculum
Summer 2**

English

This term we will be reading Stories from other Cultures and later writing Explanation Texts.

Mathematics

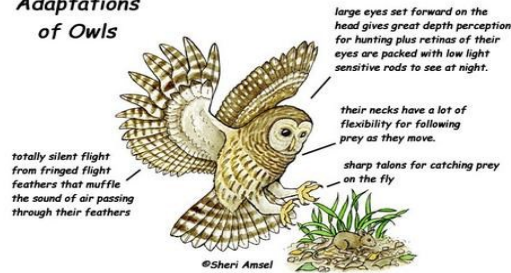

Identify, represent, and estimate numbers using different representations. Partition numbers in different ways. Solve addition and subtraction two-step problems in contexts, deciding which operations to use and why. Multiply and divide mentally and solve problems involving multiplication and division including remainders. Solve comparison sum and difference problems using information in bar charts, pictograms and tables. Use a variety of sorting diagrams to compare and classify numbers and geometric shapes based on their properties and sizes.

$$\begin{array}{r}
 \dots\dots\dots \\
 .6 = \frac{6}{10} \\
 .23 = \frac{23}{100} \\
 .956 = \frac{956}{1,000}
 \end{array}$$

Science

We will be developing our work on animals by exploring different food chains and how animals have adapted to their habitats.

Adaptations of Owls

RE and PSCHÉ

We will be considering the question "Why do people get married?" and thinking about what it means to make a commitment. We will look at

different wedding ceremonies from different faiths.

Changes is the PSCHÉ theme this term. The children will be learning about how to manage change as they come to the end of the school year.

We will be learning about the role and work of The Police and what happens if you break the law. We will also discuss how to manage risk and danger by the identification and assessment of risk and danger.

ICT

In ICT we will be

Studying the unit 4.6 We are Meteorologists.

DT

In DT we will be

using fabric to design and make a toy.
