

Geography

In Geography we will be learning about the way land is used for different things eg recreation, vegetation, building etc how it has changed over the years and how we can look after it.

PE

We will be going swimming weekly.

We will also be playing

Cricket and Rounders.

Music

We will be learning how to play the keyboard or guitar by specialist music teachers.

It is important that your child practices at least 3 times a week so that he or she makes as much progress as possible.

If you would like further information about the curriculum or are interested in attending any courses to improve your own skills in order to help your child please see MRS WOOD
More detailed information can be found at

<https://www.gov.uk/government/publications/national-curriculum-in-england-primary-curriculum>

English

In English we will be reading Classic fiction and discussing the setting, the time period and the different characters.

Later we will be reading an abridged version of The Time Machine by HG Wells and considering what life would be like in the future.

Mathematics

Interpret negative numbers in context.
Solve problems involving the four operations (+, -, x, ÷) and a combination of these including understanding the meaning of the equals sign.
Recognise the % sign and write percentages as a fraction and a decimal.
Solve problems which require knowing percentage and decimal equivalents.
Use all four operations to solve problems involving measure (mass, capacity, volume) using decimal notation.
Calculate and compare the area of rectangles and estimate the area of irregular shapes.
Estimate volume and capacity.

Science

Our Science topic is Sports Science. We will be looking at how we can keep healthy by exercising and eating healthily.

RE and PSCH

The RE for this term is "Inner Forces." We will be thinking about who or what influences us, and where we get our ideas from.

Changes is the PSCH theme this term. The children will be learning about different changes they will encounter as they journey through life and how to manage them when things get tough.

We will also be learning about the dangers, effects and risks of drugs and alcohol. We will consider how the media portrays drugs and alcohol and how to respond to peer pressure.

ICT

In ICT we will be following the theme "We are Web Developers," 5.4

DT

In DT we will be examining different structures, looking at how they are made, making models and testing their strength.
