

Geography

In Geography we will read and interpret maps of the local area and then make our own map using scales.

PE

We will be learning ball skills through playing Football and Netball.

Music

We will be learning how to play the guitar by specialist music teachers.

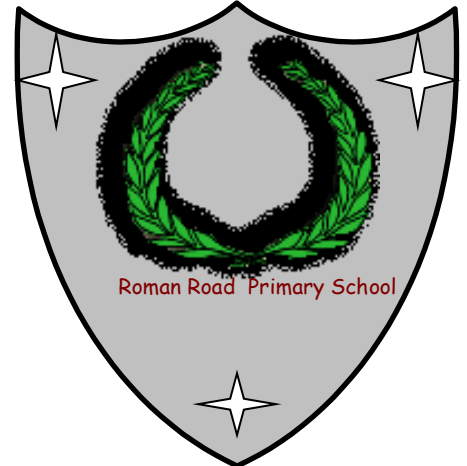

It is important that your child practices at least 3 times a week so that he or she makes as much progress as possible.

If you would like further information about the curriculum or are interested in finding out how to help your child please make an appointment to see **MRS WOOD** More detailed information can be found

Roman Road Primary School

In Pursuit of Excellence

**Year 6
Curriculum
Autumn 2**

English

This term we will be reading books by Jacqueline Wilson and discussing the issues they contain. We will be writing letters and discussing formal and informal language. We will be reading stories from other cultures including Journey to Johannesburg.

Mathematics

Useful website: www.mymaths.co.uk
Login : romanroad
Password : smart

We will:
Relate fractions to their equivalent percentages and decimals.
Find percentages of numbers to solve problems.
Identify angles and find the missing angle.
Interpret and construct pie charts and line graphs.
Convert between different units of length.
Find the area of parallelograms and triangles.
Find the volume of cubes and cuboids.

Science

The Science for this term is Electricity and Forces. We will find out how to make a circuit and about electrical insulators and conductors. We will

consider different forces and what they do.

RE

The RE for this term is "What happens when I die?" The children will be exploring different

beliefs about Life after Death and learning how to cope when someone has died.

PSHE

We will be learning about the Perceptions of normality
Understand about disability and Inclusion/exclusion

Learn about Power struggles and bullying

Consider differences as conflict and differences as celebration and being able to empathise.

French

We will be learning French in line with

the National Curriculum

focusing on numbers, colours and animals.

ICT

In ICT we will be continuing with the SCRATCH program.

(Part 2) Unit 6.2

DT

In DT we will be

Learning about food technology.
